

The REAL HEROES

The Inner Hero provides multiple opportunities for wonderful people like YOU, the Hero Volunteers, to assist with the youth we serve and the annual events. The amount of time and effort you share and give to The Inner Hero and the community is invaluable.

Thank you for considering The Inner Hero as a part of your volunteer experience!

Hero Volunteers

Hero Volunteers at The Inner Hero are real MVP's! Our volunteers are some of the most dedicated people in the Twin Cities! The Inner Hero volunteers know how to have fun, are super helpful, and have an honest love for people and the Minneapolis community. Volunteers are such an important part of The Inner Hero family because they help make every event successful.

We could always use more HEROES like YOU!

VOLUNTEER OPPORTUNITIES

Every year The Inner Hero hosts annual events for the community and its partners. These events are intended to bring the community together, have fun, and celebrate the work of The Inner Hero.

Annual Basketball Tournament

Every summer The Inner Hero hosts a basketball tournament. This event is intended to bring the community and families together with fun activities, guest speakers, media, and a classic basketball tournament. All ages are welcome to

attend. The Inner Hero needs volunteers to help with various assignments for the day:

Set-up/Take down

Registration

T-Shirt Sales

Donations

Food Service

Face Painting

Do you have a unique gift or talent you can share for this event? Let us know!

Annual Gala

In 2019, The Inner Hero will be hosting its first annual Gala benefit! This special event will be a benefit dinner for the community and donors. The event will have opportunities for the community to donate and support The Inner Hero organization.

Police/Community Discussions

CEO and Founder, Ambrose R. Russell, has a passion to connect with people and to mend the relationships between the community and the police departments. He has organized special panel discussions throughout Hennepin County to engage in honest and open conversations between the community and participating police departments.

The Inner Hero Year End Community Celebration

After each successful year, The Inner Hero wants to celebrate YOU, its volunteers, the staff, and the community for all of our achievements throughout the year. The Inner Hero organization will come together to reflect on the past year's accomplishments, projected future goals, and is an opportunity to gather new ideas for the upcoming year. There will be acknowledgments, recognition, and rewards.

HOW CAN I BECOME A VOLUNTEER HERO?
